THE LAW OF PROPERTY ACTS

Reprinted from "The Solicitors' Journal," 1928-1930

WITH INDEX AND TABLES

Arranged, Revised and Edited by **J. P. H. COOKSON,** *Solicitor.*

THE earlier work, "Everyday Points in Practice," containing the Questions and Answers which appeared in "The Solicitors' Journal" during the years 1925 to 1927, proved one of the most useful reference works on the new Acts and the edition is now almost exhausted.

In response to many requests for a volume containing the later Questions and Answers, those appearing during the years 1928 to 1930 inclusive, bearing on the Law of Property Acts, have been collected into the present volume, which it is hoped will prove as useful as its predecessor.

Although the working of the Property Acts is now more generally understood, there are still many points of doubt and difficulty which will be solved by a reference to this work.
